Under the able leadership of President Paul McKay, Millikin has seen rapid development in recent years. In September women students moved into Walker Hall, the new addition to Aston Hall. The interior of Aston was completely remodeled and ready for occupancy during the second semester. A sign of things to come is the Twenty-Year Plan, formally announced in December, which provides for a new fine arts building, a field house, and an athletic field. Other anticipated developments include faculty housing and additional classrooms.

Endless Education

In spite of the many distractions, education is the primary concern of Millikin students. A visitor to the campus would see that knowledge is gained in many, many ways, and that ingenious students can find more places to study!

Immeasurable Friendships

As Dean McPeek and Coach Allan prove in the picture at the right, the friendships made during college years are indeed immeasurable! Some will grow and deepen, while others will fade into the past; but all of them will contribute to the wonderful memories of Millikin U.

"Many Millikins" was the theme of Freshman Camp in 1961 which was held at Allerton Park on September 9 and 10. This annual event, sponsored by the Religious Life Committee, gives all freshmen an opportunity to meet Millikin through their classmates, upperclassmen, and faculty members. The camp schedule included worship, discussion and recreation. At the conclusion of the camp, it was difficult to tell who had the most fun—the freshmen; the counselors; or the co-chairmen, Carolyn Rankin and Lynn Coverstone.

Rush Week

Every year rush week is hectic, tiring, exciting, and fun. The 1961 rush week was no exception. Many opportunities were provided for the rushees to meet the actives at evening openhouses, invitationals, and preferentials. Themes added continuity to each organization's rush parties—rushes traveled from Germany to Scotland and from dreamland to fairyland. Songs, refreshments, skits, and conversation made two hours seem like two minutes. The results of the 1961 rush week were successful, for many friends were made that will last a lifetime and many memories were created that will last just as long.

STRANGE MEN
(They're Lawyers)
RENT

Although the men's rush week on Millikin's campus is less formal than the women's, it accomplished the same purpose. Men have an opportunity to meet each other and decide with whom they wish to be brothers. As you can see from the pictures above, the boys go in for skits and songs and conversation almost as much as the girls do. In addition, there are free meals and football games, handshakes and friendly greetings. All this is preliminary to joining a fraternity, to pledging oneself to brotherhood.

Parents' Day

September 30, 1961, was Millikin's third Parents' Day. Co-chairman were Barbara Flint and Jim Hoffman. Betty Atchison, Judy Hutton, and Bonnie Brooks served as chairman of the sub-committees. Many activities were planned for the parents—registration and coffee, faculty visits, campus tours, an assembly, and a Student Council-President's Reception in the University Center. At the assembly, President McKay, faculty members and student leaders interpreted the nature of Millikin's educational curriculum and activities to the parents. The big event of the afternoon was the Big Blue's victorious football game with Carthage College.

The Queen was presented during half-time of the Homecoming Game.

Our 1961 Homecoming Queen was presented in Chapel during the Homecoming Assembly on October 19. The announcement came as a surprise to everyone, and was made earlier than usual to give the queen an opportunity to reign over the entire weekend.

Joann is a history major, and plans to teach in the secondary schools. She has served her sorority as president and 2nd vice-president, has been a member of Pi Mu Theta, Conant Society, Panhellenic Council, S.E.A., Student Council, R.W.A.C., Junior Panhellenic Council, and has served on Campus Chest, Fine Arts, Homecoming, and Parents' Day committees.

Joann is crowned by last year's queen, Karla Fleck.

Stan Kenton at Homecoming Dance

While Diane Janssen and Don Arenz, co-chairmen of "Advertising Fun in '61", were leading Millikin through a swinging week-end of fun, the Big Blue added another win to its undefeated football season by trouncing Lake Forest 47-7. The Freshmen "froggies" again were forced to continue wearing their beanies as a result of losing to the Sophomores in the Frosh.-Soph. games.

Friday night, October 20, was the suave homecoming show—a take-off on radio and television advertising. During and after the show the house decoration judges chose Alpha Chi Omega and Tau Kappa Epsilon as the winners in their respective divisions.

Saturday morning the Homecoming Parade resulted in Delta Delta Delta and Delta Sigma Phi winning the float contest under a theme of Beat Lake Forest. That same night, Stan Kenton played to a full house in the Eisenhower High School Gymnasium.

Joann Hartke, Mt. Olive Tri Delt, was the charming and beautiful Homecoming Queen of Millikin's 1961 Homecoming festivities. Throughout the entire week, Joann was a sparkling reminder of Millikin's new Progressive outlook and spirit.

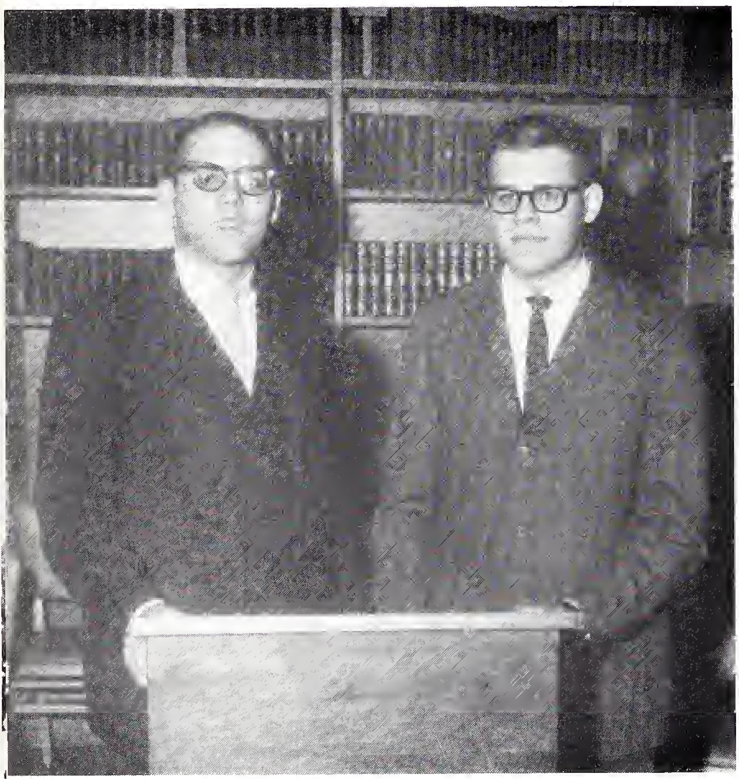
Mr. and Miss Campus Chest

Campus Chest was held February 23-24 this year. Co-chairmen Libby Schweigerdt and Allen Killpatrick worked very hard to raise money to send two Millikin students, Stuart Wilkerson and Libby Schweigerdt, to ecumenical work camps and to make a contribution to WUS. It was decided by the Millikin Student Council that the World University Service donation should be designated to La Universidad de San Cristobal de Humanaga in Ayacucho, Peru. This university was founded in 1677, but had been closed from 1886 to 1959. To raise funds for these worthwhile projects, Campus Chest pledges were made by Millikin students and faculty, a carnival was held with each social organization constructing a booth, and the annual Campus Chest dance was held in the University Center.

Generation without a cause?

Student-Faculty Retreat



Co-Chairmen Jack and Gary

The theme of this year's Student-Faculty Retreat was "Generation Without a Cause." A movie by the same title was shown which raised questions about the purpose of our generation. The movie served as a springboard, not an authority, for the weekend. Discussion groups and summary panels were the real essence of the retreat. Millikin students and faculty spent two days of brain-storming and idea-clashing deciding whether or not we need or have a cause or multiple causes. No conclusions were reached, but many thought-provoking ideas were presented.

Millikin's foreign students chat with consuls from Chile, France, and Germany.

On February 8, International Night speakers came from Chile, France, and Germany. Elaine Miller, a former Millikin student who has traveled and studied in South America, also spoke. Following the speeches, there was a panel discussion on the significance of Berlin, the Peace Corps in Chile, and France's future in Algeria.

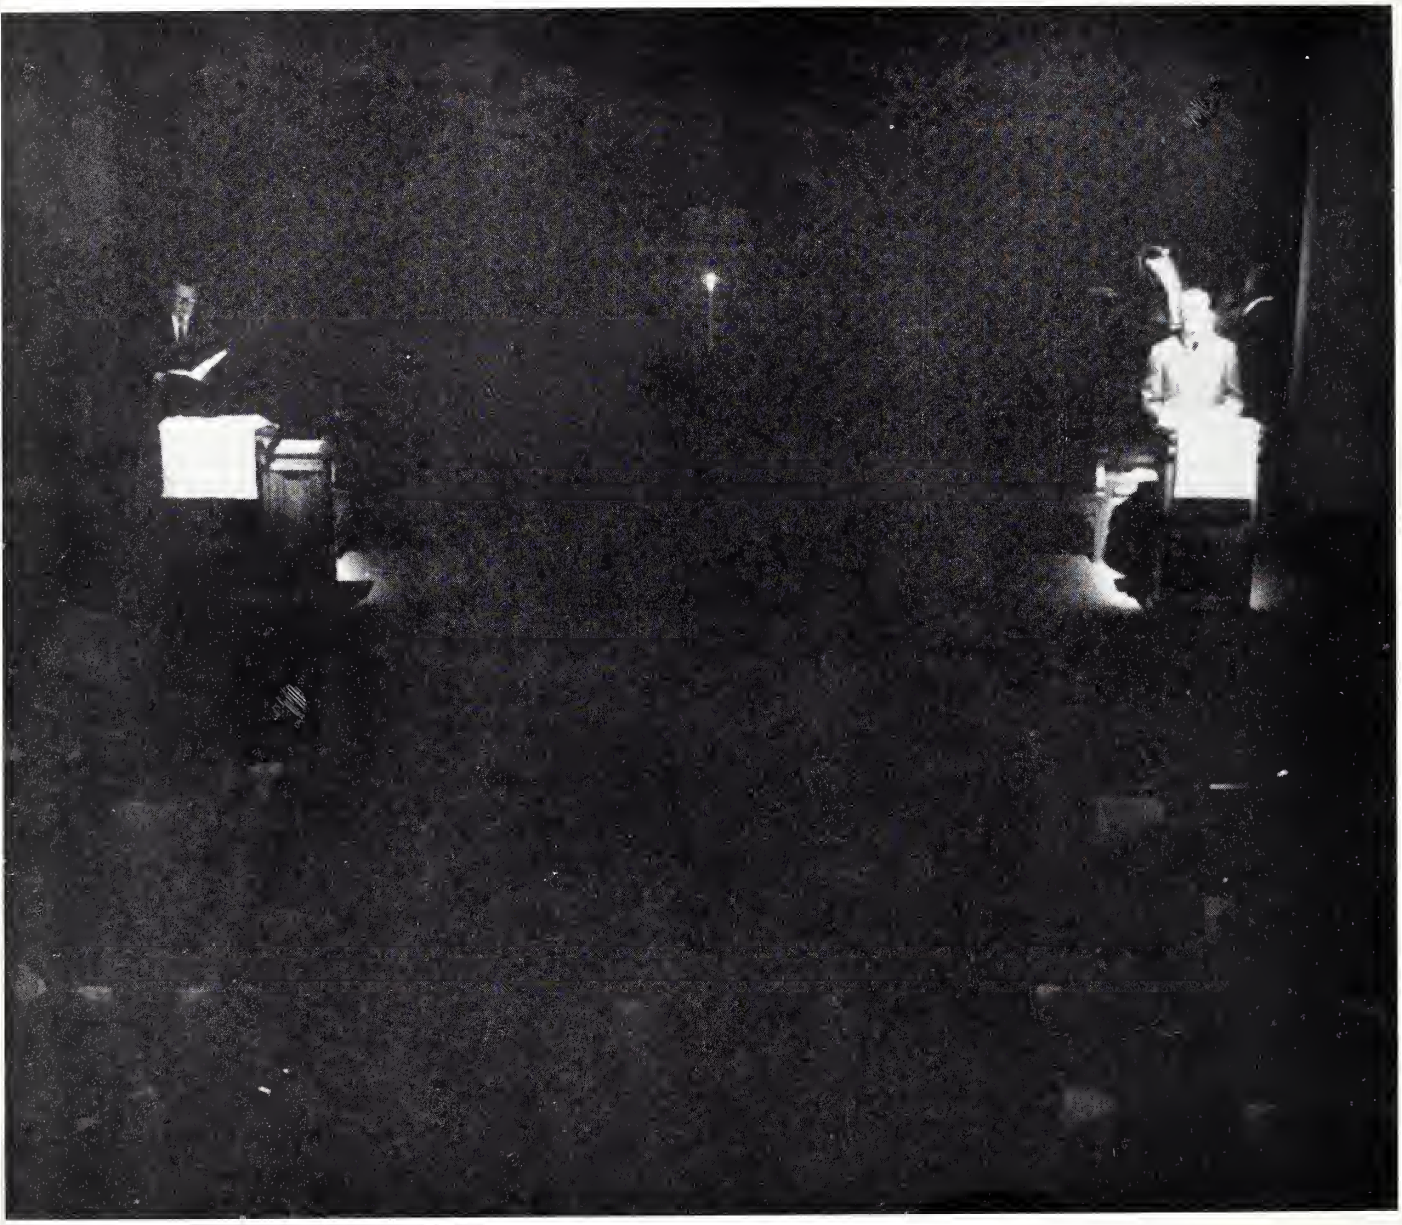
Religious Emphasis Week



RE Week Dedication Service

A hard-hitting play, **The Sign of Jonah**, thought-provoking sermons, discussions, personal meditation—all these combined to make Religious Emphasis Week 1962 a stirring and meaningful experience to MU students and faculty. **The Sign of Jonah** was performed by the dramatic department and asked the question "Who is responsible for man's inhumanity to man?" The R. E. Week speaker, Rev. Richard M. Gilbert, presented a series of stimulating sermons on the R. E. Week topic "Is There a Future?" As a culmination to R. E. Week, a dedication service was held Wednesday evening at Westminster Presbyterian Church.

Town and Gown Drama

Town and Gown Drama was very busy producing plays for Millikin's theater-going audiences. Julie Haydon, Broadway actress, came to M.U. to star as Olivia in Shakespeare's **Twelfth Night** early in November. In February, Town and Gown produced four one-act plays ranging from a surrealistic drama to a more conventional and highly poetic work of William Saroyan. Spring brought M.U.'s version of **Bus Stop**, starring Marilyn LaMarsh and Larry Henry.

Fine Arts

The performers engaged for the Fine Arts Series were all fine artists in their fields. Elizabeth Gigante opened the Series with a piano concert. In November, the Zachary Solov Ballet Ensemble presented ballets not appearing in the repertory of any other company. Julian Bream, guitarist and lutenist, presented a unique program on instruments which had never been presented in a concert in Decatur. A capella singing in the European tradition was heard when the Het Nederlands Kamerkoor Choir came to Millikin. Huston Smith, lecturer on philosophy, was on campus for two days to end the 1961-62 Fine Arts Series.

ORGANIZATIONS

Student Council

The Constitution of the Student Council defines its purpose as: first, to provide a coordination organization for student activity and opinion; second, to carry out the will of the student body within the limits of Student Council activity; third, to maintain a high standard of student body conduct.

Student problems should be taken to the Student Council. Providing communication lines between the administration and the student body is the most important single function of the Student Council.

The Council carries out the will of the student body through elections, communication between individual students and individual Council members. The Student Council is the model for student conduct. Council members must constantly watch their actions, remembering their effect on campus conduct.

Who's Who

Candidates for Who's Who are nominated by Student Council, judged by a committee selected by the Dean, and finally approved by the National Headquarters of Who's Who. Judging is on the basis of character, citizenship, scholarship, leadership, and responsibility. The students' names are placed in the annual publication, "Who's Who in American Colleges and Universities".

Phi Kappa Phi

A chapter of the National Honor Society of Phi Kappa Phi was established at Millikin University in 1949. The national society was founded in 1897, with original chapters at the University of Maine, the University of Tennessee, and Pennsylvania State University. The primary objective of Phi Kappa Phi is to recognize and encourage superior scholarship in all fields of study. The constitution provides that an undergraduate student may be considered for election only if he is in the top five per cent of his class as a senior; and that no more than ten per cent of a class may be elected, while less may be chosen if the chapter so decides. Good character is an essential supporting attribute to those elected to membership.

The Millikin chapter of Phi Kappa Phi nominates each year a candidate who competes for one of the $2500 fellowships offered by Phi Kappa Phi for the first year of graduate work. Furthermore, the chapter brings to the campus an outstanding scholar, scientist, philosopher, or creative artist who addresses the members and their guests. In the recent past, Dr. Harold Urey, the discoverer of heavy hydrogen, and Dr. William Albright, Spence Professor of Semitic Languages at the Johns Hopkins University, have spoken before the Millikin chapter.

Phi Chi Alpha

Phi Chi Alpha is a senior men's honorary fraternity with membership based on scholastic achievement. Each member must maintain an overall 3.0 average and have completed sixty-eight academic hours. This year's president is Vince Cina.

Pi Mu Theta

Pi Mu Theta, honorary fraternity for senior women, was founded at Millikin in 1912. Members are elected on the basis of scholarship, service, and leadership. Several worthwhile service projects are carried out during the year, the most outstanding of which is the awarding of a $100 scholarship each semester to a worthy junior woman.

Tau Chi Pi

Tau Chi Pi is an organization open to any student enrolled in a course in secretarial science. The organization aims to train its members for their future work in the business field. Business and its problems are discussed, and qualified people from the Decatur area are asked to speak concerning the business world and its future.

Alpha Epsilon Rho

Alpha Epsilon Rho, national Radio-Television fraternity, grants charters on campuses where the work in broadcasting is considered to be outstanding. Some students in Alpha Kappa chapter work as staff members at WTVP; others assist with the Telecourse on WCIA; still others work at radio stations; and all are involved with the two-camera closed circuit operation on the campus, where the specific project for the year has been the use of the CU in televised teaching. Assistance with this project has been given by the Industrial Engineering department.

Pi Kappa Delta

Pi Kappa Delta is a national forensic fraternity. The purpose of the organization is to stimulate progress in and further the interests of inter-collegiate speech activities. Membership is gained by participation in a specified number of speech events. This year Millikin's Illinois Tau Chapter of Pi Kappa Delta attended several speech meets, and received several high ratings.

Conant

Conant Society is a literary group open to upperclass students with an interest in literature. Meetings are held once a month on Tuesday evenings. Programs include talks by faculty and students, reading, and discussions on literary topics.

Student Education Association

Since most teachers belong to national, state, and local education associations, it is desirable that they be oriented to the program of the National Education Association and to the activities of their State Education Association while still attending college. The Millikin Student Education Association fulfills this need. Its members have opportunity to work with other professional people and to develop leadership by such participation. Through the Student NEA Code of Ethics, standards and patterns of conduct are learned by future teachers while they are still undergraduates.

Home Economics Club

Home Economics is the field of knowledge and service primarily concerned with strengthening family life through education and research. The Home Economic Club carries on many projects throughout the year. Last fall many hours were spent making aprons which were sold to the faculty and administration. Some of the monthly meetings this year consisted of visits to the Illinois Power Company, the Sunshine Bakery, St. Mary's Hospital, and Quigle's Furniture Store. In the spring the Foods Class baked and sold cookies to the Millikin students. The club also has one philanthropic project each year, which is either a visit to the Children's Opportunity Home or Macon Acres. Membership is open to both majors and non-majors.

Le Cercle Francais

Le Cercle Francais was organized prior to World War I and at that time was affiliated with the Alliance Francaise. Its primary purpose always has been to promote the use of spoken French in informal meetings and to provide programs in French. Going beyond an interest in the French language, the members of Le Cercle Francais are concerned with European problems and often have contributed small but tangible gifts to Europe: during World War I, the members "adopted" three French war orphans; during World War II, old clothing was collected and sent to various European countries; and for the last few years, the members have actively helped present an International Night program.

Alpha Phi Omega

Alpha Phi Omega is the largest national fraternity in the United States. More than 300 chapters compose the only national fraternity dedicated to service to the school, community, fraternity, and nation. The purpose of Alpha Phi Omega is to assemble college men in the fellowship of Scout Oath and Law, to develop friendship, and to promote service to humanity. Alpha Phi Omega performs such service projects as the campus visit of the Red Cross Bloodmobile, ushering, parade directing, Queen's Float for Homecoming, Scout camp leadership, and many other things. Although Alpha Phi Omega is not a social fraternity, parties are held for social development and fun. Eta Epsilon Chapter on the Millikin campus is very active and is growing more popular every semester.

German Club

The German Club is open to all students enrolled in German classes at Millikin and all other students interested in the language. It provides an opportunity to learn about the culture of the country and to practice speaking the language outside of the classroom.

Sigma Zeta

Sigma Zeta is a national science honorary society whose members represent majors in all the fields of science who have maintained a 3.0 grade point average in their respective curriculum. Pi chapter of Sigma Zeta, together with their officers, Vince Cina, president; Darrell Helm, vice-president; and Elizabeth Schweigerdt, record.-secy.-treas., have presented numerous scientific films for student viewing and have assisted with the Illinois Association of High School Science Teachers convention, held in Mankato, Minnesota. Pi chapter sent four representatives to the convention, two of whom presented student research papers. All in all, Pi chapter of Sigma Zeta at Millikin has attempted to encourage student interest in the sciences.

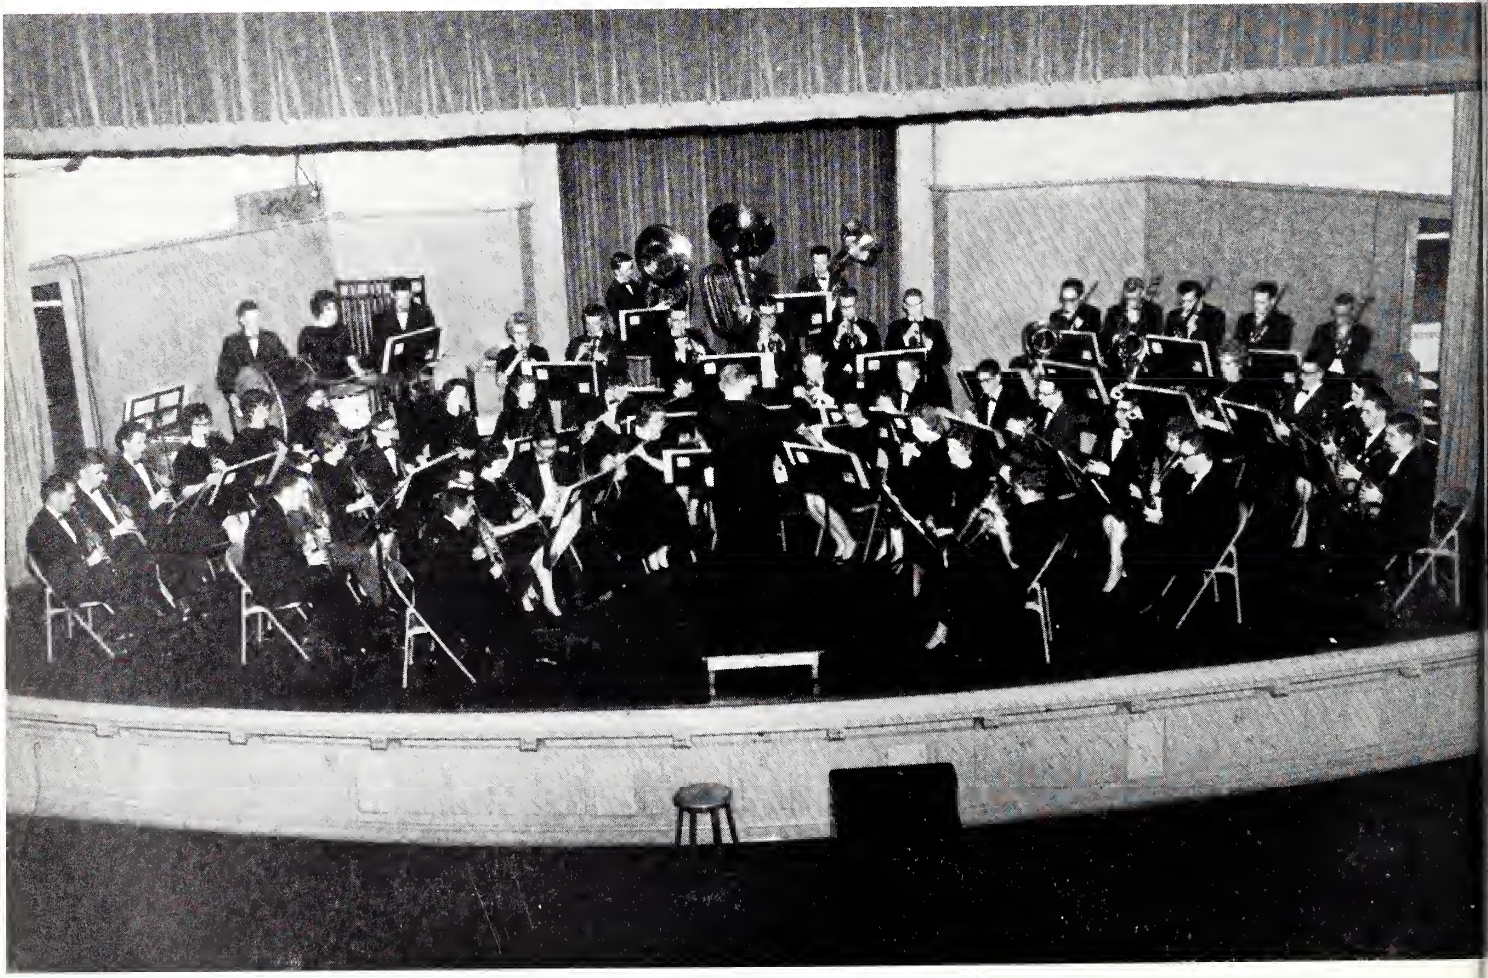
Millikin Band

One of the most active musical organizations on campus is the University Band conducted by Dr. Theodore Thorson. Open to all students, the 1961-62 band numbered 66 members with full concert instrumentation. The primary function of the band is to perform the finest in symphonic band literature. In addition to its role as a concert organization, the marching band and pep band appear at football and basketball games. Over and above its University concert schedule, the 1961-62 band toured Central and Western Illinois in March, and presented a number of concerts in local schools during the year.



Orchestra

The Millikin Symphony Orchestra is composed of Millikin students and townspeople, under the direction of Mr. Paul Skinner. This year the orchestra combined with the University Chorus for a Christmas program; gave its annual concert in February; and played with Norman Lockwood, contemporary composer who visited the campus, and his choir in a concert of contemporary music.

Millikin Choir

Membership in the University's choir is composed of 45 students of which about one-half are majoring in music. The remaining members are from the Liberal Arts or the Business School of the University. Any student may audition for the choir; however, only those who qualify musically and who are able to maintain an adequate academic record are accepted.

The choir strives for the highest artistic excellence as it performs representative choral literature of all periods. Each year the choir takes a tour, which in 1962 was to the East coast. The purposes of these tours are to further provide a musical stimulant for singers and to serve as an extension group to the Presbyterian churches from a church-related University. The choir has two long-play records available, both pressed by Columbia.

University Chorus

The University Chorus meets once a week for a two-hour rehearsal and is largely responsible for two concerts a year, one usually with the University's orchestra. The chorus prepares major choral works, in which it is aided by the many adults from the community who join it in singing great classical literature.

Membership is open to anyone, both students and community, for credit or non-credit.

Resident Women's Association

The Resident Women's Association Council is composed of representatives from each of the women's residence halls. This organization has four main purposes: to foster a feeling of unity among the resident women; to provide an organized method of self-expression for the group; to furnish a means for promoting better group living conditions in resident halls; to organize a social program for resident women.

The housemothers try to make a home away from home for Millikin's girls. They are ready to help with problems and give advice when needed.

Publications Board

The Publications Board is composed of Dean Byron L. Kerns, the editors, business managers, photographer, and advisors to student publications.

An executive committee responsible to the Student Council, the Publications Board deals with the area of student publications.

The Board reviews applicants for publication positions and recommends to the Student Council which applicants are qualified and preferred.

Student Handbook

The Student Handbook is published during the summer and is sent to all freshmen and new students. The handbook informs students of the standards, activities, organizations, and other important aspects of Millikin life.

Chuck Jones, Student Directory Editor

Student Directory

The Student-Faculty Directory contains the names, addresses and telephone numbers of all Millikin students and faculty. It is published each year through the Admissions Office. A student is elected editor and manager—he sells advertising and assembles the information on the students.

Decaturian

The **Decaturian**, Millikin's weekly student newspaper, strived to represent the attitudes of, as well as inform, instruct and entertain, the Millikin family.

Under the supervision of Co-Editors Rita Hollingsworth and Pat Finney, Adviser Jerry Redford, and Business Manager Bill Stoutenborough, the "Dec" became a crusading newspaper.

Attempting to mold student opinion and action, the "Dec" called for an end to apathy, better channels of communication at MU, improved relationships between students, faculty and administration, a more active Student Council, and a de-emphasis on "activitism."

The newspaper expanded to promote creativity and interest in world affairs.

Valuable assistance was given by Carol Allan, feature editor; Karen Lepp, news editor; Mike Waller, sports editor; Judi Gibbons, circulation editor; Carol Farkas, proof editor; Karen Schroeder and Jim Tolly, lay-out editors.

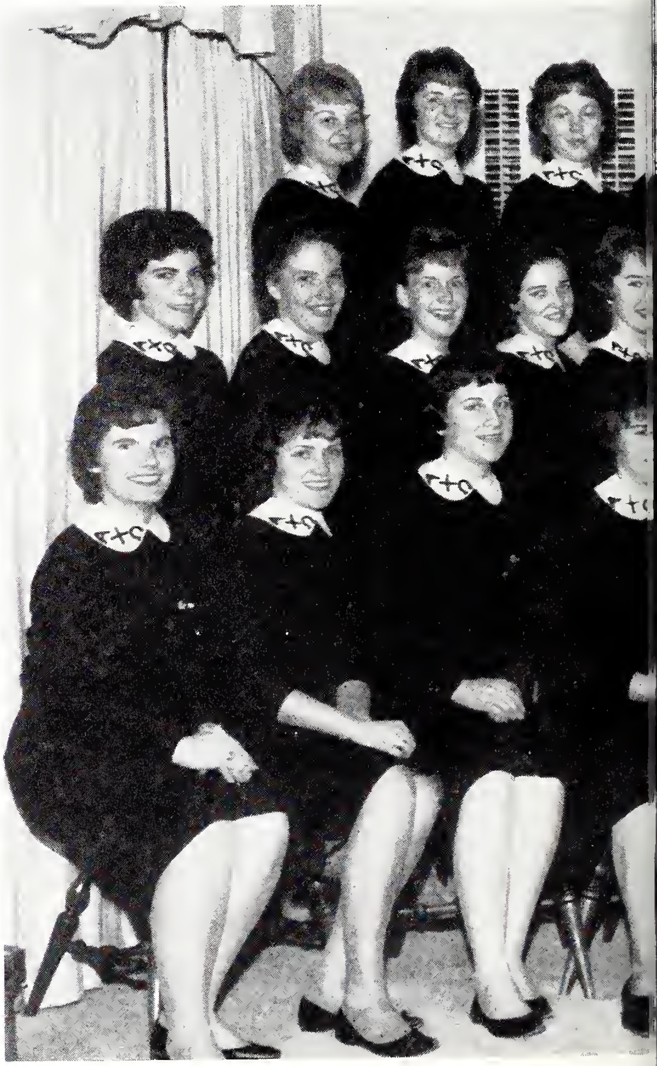
University Sing rehearsal time again.

Row 1: J. Kettelkamp, J. Hehmeyer, J. Saum, M. Hubbard, J. Clough, N. Kelly, Mrs. Dodson, C. Boice, E. Krause, D. Behrend, J. Reiners, M. Galloway.



That Wonderful Year 1961-1962 was just that for Upsilon Chapter of Alpha Chi Omega. Our 19 new pledges brought much spirit and enthusiasm into the chapter.

Homecoming brought hard work, but our efforts were rewarded with the first place trophy for Women's House Decorations. Marylan Hubbard and Jo Saum were co-chairmen.

At Christmas time we held our annual party for underprivileged children. The young guests enjoyed songs, games, gifts, and refreshments.

In March, Sharon Mattern was chosen "Miss Outdoors" at the Sportsorama.

"Activity-wise" on campus were the following girls: Diane Behrend served her second year as co-editor of the Millidek; Sharon Sappenfield was President of Panhellenic Council; Jeanne Reiners was Secretary of Sigma Alpha Iota; Judy Bretz was Secretary of W. A. A. and co-chairman of Student Activity Night; Marie Galloway was a member of the Religious Life Committee; Bonnie Brooks and Judy Bretz were co-chairmen of the Sweetheart Dance; and Carol Boice was co-president of Tower Club.

Members of Pi Mu Theta were Jan Clough, President; and Jeanne Reiners, Vice-President. Jan and Jeanne were also elected to Phi Kappa Phi and Jan to Who's Who.

Class offices held by Alpha Chi's were Freshman Vice-President, Judee Crowhurst; Secretary, Mary Lou Hauff; Treasurer, Marthe Howell; Senior Secretary, Norma Kelly; Treasurer, Marie Galloway.

Our appreciation for their help during this year goes to our housemother, "Mom D."; Mrs. James Hazelrigg and Mrs. Richard Deckert, Chapter Advisors; and Mr. and Mrs. Ronald Shelton, Faculty Advisors.

Row 1: J. Gerber, L. Short, N. Niklich, P. Krause, N. Bradley, Mrs. Picknell, J. Hartke, C. Findlay, A. Dashiell, L. Scroggins, J. Alfeld, B. Cordes.

The 1961-62 school year brought many honors and varied activities to all the Deltas. The year began by pledging sixteen lovely young women.

Millikin Tri Deltas Janet Steinheimer and Loreta Cearlock were chosen as varsity cheerleaders and Joann Alfeld as an alternate cheerleader. Carolyn Rankin served as Freshman Camp co-chairman. Jean Gerber was chosen to serve on the Student-Faculty University Center Board. Junior class officers elected in the fall were Carolyn Rankin, Vice President; Carolyn Roltgen, Treasurer; Janet Steinheimer, Secretary. Joann Alfeld was elected Secretary of the Sophomore class. Pat Hoeltgen served as Secretary of the Freshman class.

Homecoming brought two trophies to the Tri Delta House. President Joann Hartke reigned as Homecoming Queen over all the week end activities. Tri Deltas won first place in the women's Float Division for the second consecutive year with their float "Chop Down Lake Forest."

Alice Dashiell served as president of the Home Economics Club and Linda Short served as vice president. Betty Atchison was crowned Campus Chest Queen at the dance climaxing Religious Emphasis week. Jackie Bean starred with Broadway actress Julie Haydon in Shakespeare's TWELFTH NIGHT.

The sincerest appreciation of all the Tri Deltas go to our gracious housemother, Mrs. P. G. Picknell, and to our faculty advisors, Mr. and Mrs. Wayne Krows, and to our chapter advisor, Mrs. Velma Redlich.

Ending their fiftieth year on Millikin's campus, the Illinois Eta chapter of Pi Beta Phi had a most successful year. Returning to our newly redecorated house in September was a joy and a real inspiration for our week of rush during which twenty young women were pledged to the wine and silver blue.

On campus the Pi Phis were busy as usual. Beverly Bray served as vice-president of Student Council and as co-captain of the Big Blue cheerleaders. Darlene Heit, Judy Hutton, Judy Kay Powel, and Barbara Carlin were elected to the squad.

Nancy Guy, Pat Major, and Sherry Skidmore were initiated into Phi Kappa Phi and Pi Mu Theta. Beverly Bray, Nancy Guy, Pat Major, and Sherry Skidmore were elected to **Who's Who in American Colleges and Universities.**

Nancy Guy was a member of the Religious Life Committee. Barbara Flint served as co-chairman of Parents' Day, and Beth Gage was co-chairman of Religious Emphasis Week. Claudia Smith was editor of the **Student Handbook;** Sherry Skidmore served as co-editor of the **Millidek.** Rosalind Cordts was busy telling the campus and the community about her summer in Europe as a Campus Chest work-camp scholarship recipient. Judy Hutton was chosen "Queen of Hearts" at the annual Sweetheart Dance.

A Christmas caroling party and a date dinner highlighted the Christmas season. With the spring came a formal and dinner at the Decatur Country Club.

Our new housemother, Mrs. Cottle, brought a "home-like" atmosphere to the Pi Phi House. We wish to thank Mrs. Cottle, our faculty advisors, Mr. and Mrs. Frank Gery, and our chapter advisor, Mrs. James McKinney, for their help and encouragement this year.

Zeta Tau Alpha

Row 1: M. Becker, L. Spaninger, D. Janssen, Mrs. Houghton, J. Cattinari, S. Logan, E. Rogers.

Saddened by the sudden death of our sorority sister, Lynda Satterfield, the Zetas returned to the busy college life challenged to excel in chapter and campus activities.

The year started off right in the class officer elections when Vicki Ewing was elected Vice-President and Pat Finney was elected Treasurer of the Sophomore Class. Tori Pharis served as Vice-President of the Senior Class.

Homecoming was hectic but successful with Diane Janssen as co-chairman.

1962 is a special year for the local chapter because Zeta Tau Alpha celebrated its 50th anniversary at Millikin.

The Zetas kept busy with many positions of leadership this year. Vicki Ewing and Sue Logan were appointed members of the Religious Life Committee; Pat Finney was elected Co-Editor of the **Decaturian** and chairman of Student Activities Night; Sue Logan served as President of Conant and Carole Hollie as Secretary of Home Economics Club.

Zetas holding offices in W. A. A. were Carole Hollie, President; Sue McWhirter, Secretary; and Beryle Gardner, Treasurer. Jamene Cattinari was elected to Sigma Zeta and served as Treasurer of Panhellenic Council. Georgiann Martin was President of Junior Panhellenic Council.

Sue Logan and Jamene Cattinari were chosen for Pi Mu Theta. Libby Spaninger, Diane Janssen and Sue Logan were elected to **Who's Who.** Sue was also initiated into Phi Kappa Phi.

Most deserving of our thanks this year are our housemother, Mrs. Houghton; our chapter advisor, Mrs. Dwight Nelson; and our faculty advisors, Dr. and Mrs. Oren McClure, and Dr. and Mrs. Ted Thorson.

Row 1: C. Jones, D. Parshall, W. Bailey, R. Frystak, R. Wall.

You lead, and I'll trump.

Saturday night fun with the boys.

This past year at the AKL house has been very outstanding. When the actives returned in September for Rush Week, they were successful in acquiring a good group of pledges. As usual, during Homecoming Week, the AKL's barely finished their house decoration and float. They had a good time anyway.

The Alpha Kappa Lambda house certainly was noisy the nights they had their annual Toga Party, Go to Hell with AKL, and other fraternity dances. The year came to a rousing close with second annual AKL Olympics Day which ended with an all-school dance. The usual shower was given to those "lucky" brothers who were pinned or engaged this year.

The AKL's continued to take part in campus committees and organizations. They also honored their retiring faculty advisor, Dean Ploenges. With increased participation in university activities and a growing national fraternity, it can truly be said that "AKL is on the move."

Delta Sigma Phi

Officers: Dennis Bunting, Bill Stoutenborough, Jim Talbert, Robert Lurkins

Delta Sigma Phi—The Fraternity of Engineered Leadership—has spent the 1961-62 school year in its traditionally successful fashion. Comprised of leaders in education, athletics, and social activities, we of Delta Sigma Phi continue to grow under the guidance of sincere brotherhood.

With a definite program to stimulate and promote scholarship, we find that we have time to enjoy the opportunities afforded by a college education. Five Delta Sig's were elected to "Who's Who" this past year. They are Jim Hoffman, Bill Stoutenborough, Vince Cina, Jerry Domescik, and Jack Billington. Delta Sig's also captain a large majority of the athletic teams of Millikin University, with All-American halfback Jerry Domescik in football, Steve Hengst in basketball, Del Rutz in baseball, Jim Talbert in tennis, Jim Williams in golf, and Bruce Vanderwater in wrestling.

Socially, we of Delta Sigma Phi enjoyed a winter Pledge Dance, our annual Carnation Ball, and the ever-popular Sailor's Ball. In addition, we gathered many times "just for fun" on hay-rides, house parties, receptions, and seasonal parties.

Under the philosophy that Delta Sigma Phi helps us to realize the real value of college life, we strive—as a fraternity—to become better men.

Sigma Alpha Epsilon

In order to develop intellectual achievement, provide strong leadership, and to actively promote a true spirit of brotherhood, the Illinois Delta chapter of Sigma Alpha Epsilon started the new school year with an excellent pledge class of twenty-five men. The house itself was prepared for the year by the members of the Minerva Club who refurnished much of the house. Thus, with a fine pledge class and a redecorated house, SAE tackled the new year.

Among the leaders on campus, SAE contributed Don Arenz, vice-president, who was co-chairman of Homecoming for 1961. In the Student Council, John Staedke was elected to the office of treasurer. Still on the money front, Ernie Dash served as Business Manager of the **Millidek.** Elected to "Who's Who in American Colleges and Universities" was Ryan Jorstad who was co-captain of the 1961 undefeated Big Blue football team. In golf, Jim Smith swung his way to captain. The undefeated cross-country squad was co-captained by John Staedke, and Bob Armstrong was co-captain of the wrestling team. Rounding out SAE's list of athletic captains was Larry Frus, co-captain of the track team.

E. M. (Turk) Edwards resigned as chapter advisor after thirteen years of faithful service. Stepping into his shoes was Ray (Bud) Downey. Dr. M. Hillger was again faculty advisor.

Tau Kappa Epsilon

In 1961-62, as in the past, the Men of Tau Kappa Epsilon were active in school affairs. Tom Foerster served as President of the Student Council; Teke Dave Cope was selected as Co-chairman of Religious Emphasis Week and as President of the junior class; Henry Longerich was Publications Photographer; John Ragsdale was elected Vice President of the freshmen class; and Tekes Jim Harris and Ron Steinberg were elected as class representatives to the Student Council.

During the fall the Tekes excelled socially and scholastically. Such dances as the "Hervest Hop", "Pilgrim's Peagle", and "Fraternity Fling" were attended with enthusiasm and were described as "cool". In the field of scholarship, the Tekes won the IFC Scholarship Trophy for the second consecutive semester. And, with Yogi Bear supporting the theme, the Tekes retired the Homecoming House Decorations Trophy by winning it for the third year in a row.

Spring Semester, the Tekes continued to work for Millikin and for their fraternity. After completing pledge requirements 24 men were initiated into the chapter, bringing the total strength to 86 men. Then, the Tekes won the coveted Campus Chest Award for raising the most money in the annual drive, and Teke Bill Severino was chosen "Mr. Campus Chest". In the state-wide Tau Kappa Epsilon basketball tournament, the Millikin Tekes grabbed first place in the 12 team competition. To do so they defeated strong fraternity squads from Eureka, Knox, NIU, and Wesleyan.

Big Blue Varsities were aided by Tekes all year. Four men played football for Millikin, including All CCI and All NAIA star Bill Severino. Eight Tekes suited up for basketball, including two starters. Three Tekes were varsity wrestlers. Another half-dozen men made the track squad.

However, as always, the high point of every spring is University Sing. For the second time in three years the Tekes were victorious in the event.

Socially the year was climaxed by the Festival of the Red Carnation and the Spring Formal. Also, there were numerous exchanges, house dances, and outdoor blasts.

Two men served as President during the school year. Denny Crowell led the men throughout the first semester, and Jack Beadles finished out the year. These men had the close co-operation and support of their charming and gracious housemother, Mrs. Gloria Graham; and Teke cook, "Grandma Sloan", who finished her fifteenth year in her position.

Sigma Alpha Iota

Sigma Alpha Iota, women's professional music fraternity, encourages musicianship on the campus, in the community, and throughout the world. Membership in the fraternity is based on musical and academic excellence. Nu Chapter this year had 30 members. Mrs. Elinor Gage was our faculty advisor.

Sigma Alpha Iota sponsors many worthwhile activities, both on and off campus. This year, SAI and Phi Mu Alpha co-sponsored the Broadway musical **Finian's Rainbow,** which was held March 22, 23, and 24; the annual University Sing April 6 and 7; and the Lantern Parade in honor of the graduating seniors.

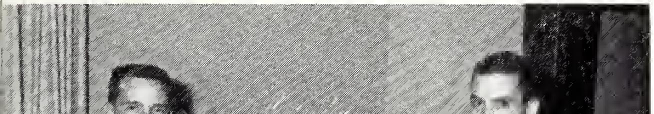
OFFICERS 1961-1962

President . . . . **Franklin G. Coleman**
Vice President . . . . **Roger N. Davenport**
Secretaries . . . . **Harrold Hayden, Steve Mallinson, Jim Walker**
Faculty Advisor . . . . **Wesley H. Snyder**

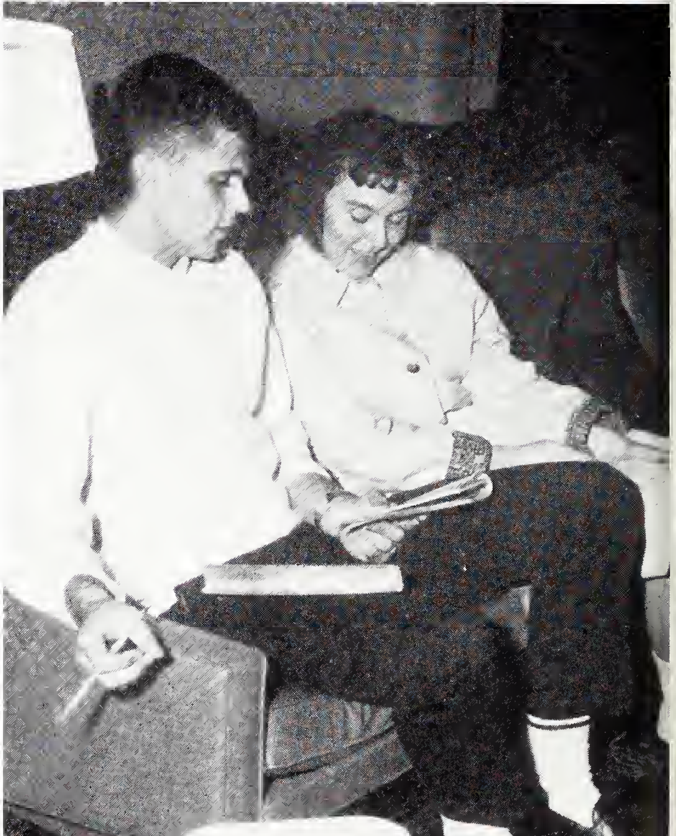


Phi Mu Alpha Sinfonia is a national men's music fraternity open to any student interested in music. The fraternity aims to advance the cause of music in America, to foster the mutual welfare and brotherhood of students of music, to develop the truest fraternal spirit, and to promote loyalty to the alma mater. Founded in 1929, Beta Theta Chapter now has forty members and ten pledges. It is recognized for its men's chorus, The Sinfonians, directed by Milton Borens. In addition to the annual fall concert, this year the chorus presented eight concerts on a three day tour of central Illinois. The twenty-eight voice group also made a long-play Delta record. The chapter's Brass Choir also made numerous appearances this year.

Phi Mu Alpha co-sponsored the University Sing, and the annual spring musical, this year, **Finian's Rainbow.** Revenues from the musical were added to a scholarship fund established last year, from which Sinfonia gives an annual $100 award to a new music student.

At the annual province workshop, held this year at Millikin, Beta Theta was awarded the Charles E. Lutton Award as outstanding among the twelve chapters in the province.

Millikin Independents



In March 1962, the Millikin Independent Association was officially disbanded. At that time a group of unaffiliated students met to discuss the formation of a new association. It was then decided that a new group would be formed to be known as the Independent Student Association, whose function would be to provide social, governmental, and educational opportunities for all independent students on the Millikin campus. Upon matriculation, all students hold membership in this association and will continue to hold it until that time when they desire and obtain affiliation with a Greek social organization. Neither attendance at meetings nor active support are required of members of this loosely structured association which is directed by an Executive Board that consists of independent representatives to Student Council. The Chairman of the Executive Board is Rita Hollingsworth. During its first month of existence, the ISA held its first social function—an all school "Jam Session". It is the hope of ISA to successfully provide an opportunity for all students to participate in activities at Millikin and thereby strengthen the Millikin family.

Nurses

This group of nurses from Decatur and Macon County Hospital are closely affiliated with Millikin. The girls are working on a Bachelor of Science degree in Nursing, and take one year of their work at Millikin. They also come to our campus for laboratory study.

The nurses participated in our Homecoming this year by entering a float in the parade. The appropriate theme was "Suture 'em", and depicted an operation on a Lake Forest football player.

Interfraternity Council is composed of the faculty advisor, the president, and two other representatives from each men's social fraternity on campus. The council administers fraternity rush week and men's intramural rules. It also determines fraternity relations with the university, the public, and each other. Each year the council holds a dance, which this year was in the University Center.

Panhellenic Council

The Millikin Panhellenic Council is composed of three representatives—the president, the rush chairman, and a Panhellenic delegate—from each Greek organization. The Dean of Women is the advisor for the group. The council has legislative power only in formulating rush rules. However, it discusses problems of mutual interest and suggests policies to be adopted by each organization. Sharon Sappenfield served as president this year.

Junior Panhellenic Council

Junior Panhellenic is composed of the pledge class president, social chairman, and Junior Panhellenic representative of each social organization. This year Junior Panhellenic members organized the annual Panhellenic dance. The group also held an Easter egg hunt for the children of the faculty and administration. Georgiann Martin served as president this year.

Cheerleaders

Our six cheerleaders and two alternates are elected in the fall by the entire student body after an assembly at which each candidate leads cheers.

The main duties of the girls throughout the year are to lead cheers at all football and basketball games, to build enthusiasm for Homecoming, and to go to Freshman Camp to teach pep songs and cheers to the new students.

The girls add pep to the Homecoming Parade.

Ralph Allan

Coaches

In fifteen seasons at Millikin, Athletic Director and Head Basketball Coach Ralph Allan has had the distinction of taking two Big Blue teams to the NAIA small-college tournament in Kansas City. In 1951, Allan's team was runner-up in the tournament. Along with guiding the Big Blue to five College Conference of Illinois championships, Coach Allan has recorded 206 victories at Millikin as basketball mentor. In addition, Coach Allan serves as head cross-country and tennis coach.

A star halfback for Millikin in his college days, Don Shroyer led the Big Blue gridders to an undefeated 8-0 record and their first College Conference of Illinois championship in 19 years. An advocate of desire and rigid training, Coach Shroyer also serves as head track coach.

In his third year on the Millikin coaching staff, Coach Chuck Ross led the Millikin baseball team to the College Conference of Illinois title. Ross, a former professional boxer, also proved instrumental in football, serving the Blue as assistant coach. In addition, Ross coached the Millikin wrestling team.

1962 "M" Man

The Millidek has chosen Jerry Domescik, senior from Auburn, Illinois, as the 1962 "M" Man. The award is based on athletic ability, scholarship, sportsmanship, and extracurricular activities.

Jerry, co-captain of this year's championship football team, was awarded the N.A.I.A. scoring championship by scoring 120 points, and was placed on the N.A.I.A. first team and the All Conference Team. He has also played baseball for four years at Millikin.

During his four years at Millikin, Jerry has been president of his Sophomore and Junior Classes, was elected to Who's Who, served as president of Interfraternity Council, and was a Freshman Camp Counselor and a member of Sigma Zeta. His major is biology and he will enter Vanderbilt Medical College next year for graduate work.

Following right along with Coach Shroyer and his football team, Coach Ralph Allan guided another team to a conference championship. This was won by the Big Blue Cross-Country team. John Staedke was re-elected as captain. With the backing of such runners as Larry Barry, Ken Spitzer, and John Polacek, who placed 1st, 2nd, and 3rd respectively in the conference meet, Millikin carried away the trophy.

Basketball

Despite the great efforts of Coach Ralph Allan and the members of his team, Millikin's season ended in a seven win and an eighteen loss record. Don Walker was the sixth highest scorer in Millikin's history. Other mainstays of the team were upperclassmen, Earl DeWerff, Steve Hengst, Dick Gulick, Gary Gilleland, and freshmen John Ragsdale, Roger Bumgarner, Doug Keller and Rich Henke. Don Walker was named to the C.C.I. second team.

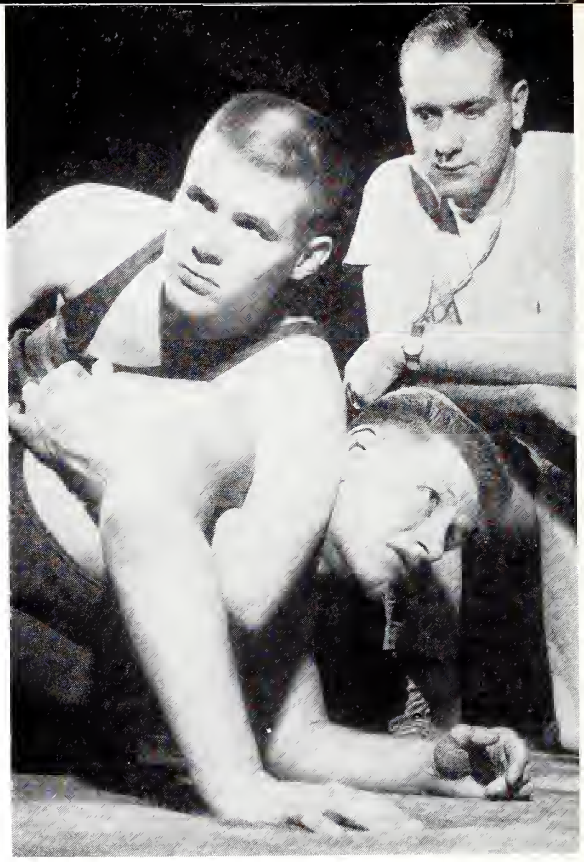
Wrestling

Coach Chuck Ross's wrestling team compiled a 9-9 record in dual meets this season. The Big Blue grapplers were led by co-captain Bob Armstrong, who finished with a 19-4 record, including a record 11 pins. Two other outstanding wrestlers were Terry Cooper and Mike DeHesus. Cooper compiled a 17-9 record and won the 123-pound class title in CCI competition. DeHesus also posted a 17-9 record.



This is how you begin.

Millikin fielded another great team again last year. Coach Chuck Ross and his team finished the 1961 season with a championship. Chuck Siebel, Al Ritz, and Larry Rule, who was the leading N.A.I.A. hitter in Illinois, were the big assets to Coach Ross. Coach Ross has a good returning nucleus of hitters, but the pitching will be weak this season. What this new season will bring is hard to say, but Coach Ross and his team will give the game their best. Time will tell.

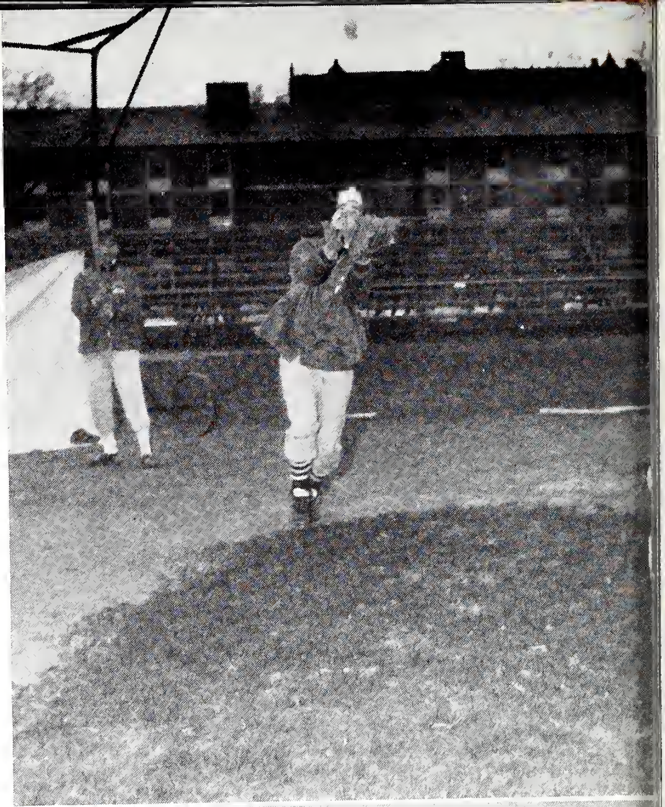
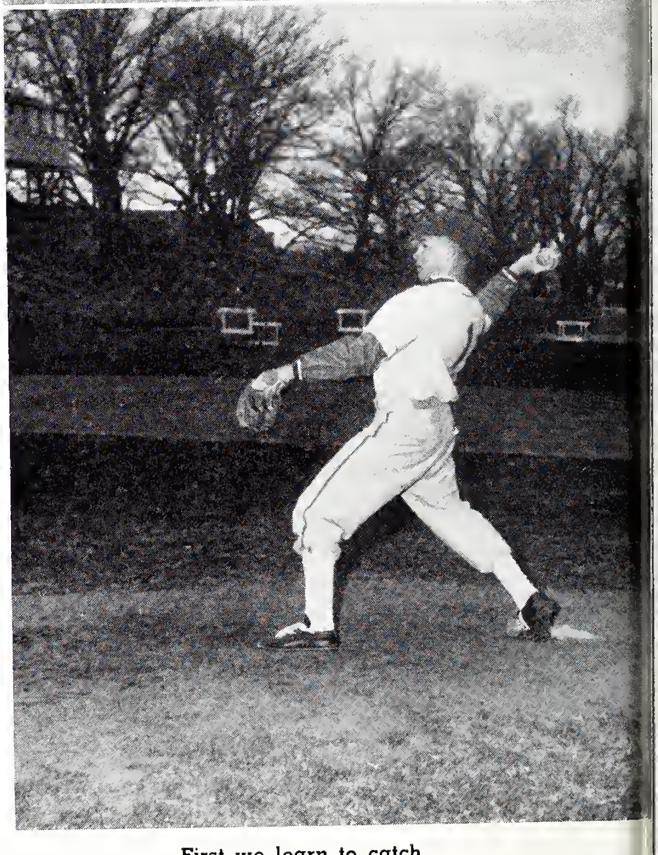
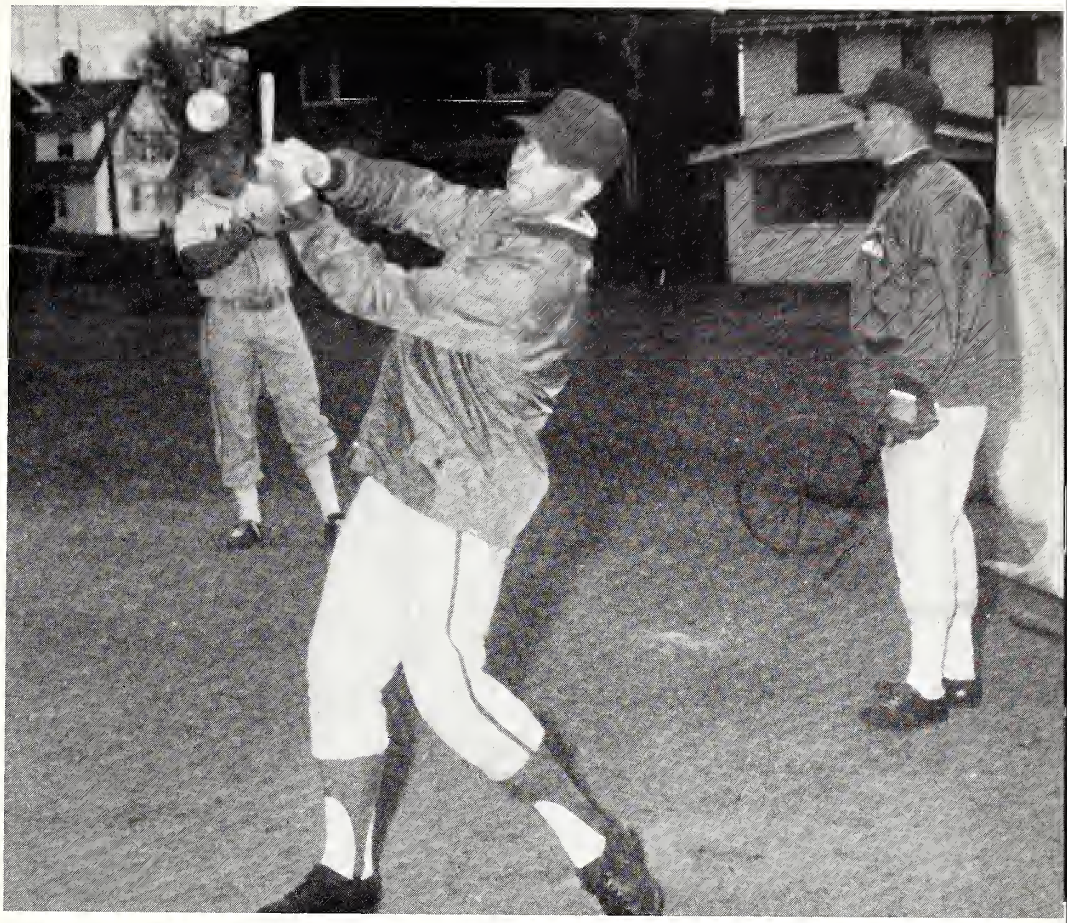
Captain, Del Rutz



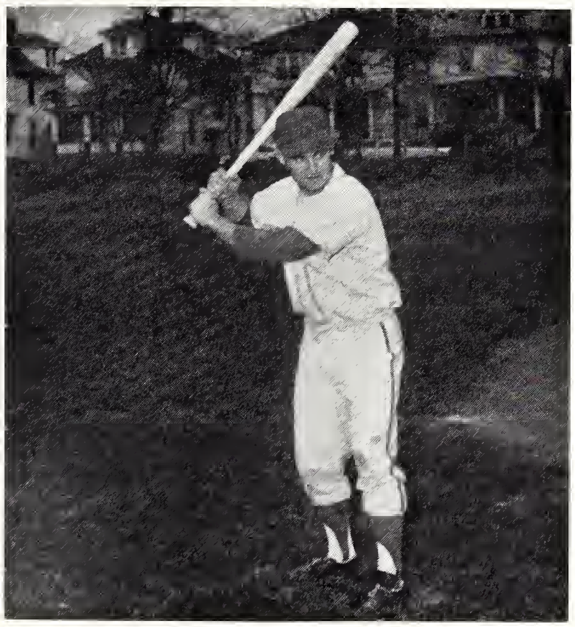


First we learn to catch . . .

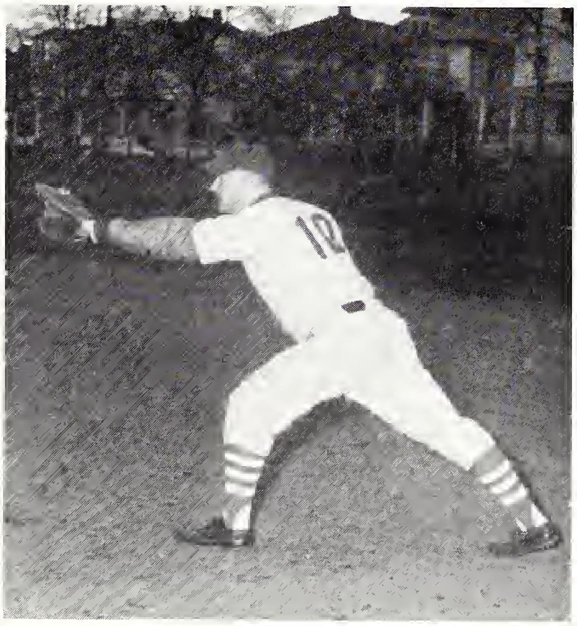
. . . then to pitch.



"Lash" at bat.



This is how it's done.



Good for anoher winning season.

Track

Coach Don Shroyer welcomes back ten lettermen of last year's track squad and is looking forward to a great season.

A sad note, however, is the loss of captain-elect Larry Frus, who will not be competing this season because of an aggravated injury.

Returning are juniors Russ Koch, John Staedke, Earl DeWerff and Terry Simons; and sophomores Larry Barry, Jim Bader, Jerry Hawbaker, Bob Posegate, John Polacek, and Ken Spitzer. New freshmen who should give the team a shot in the arm are Tom Ashman and Benny Bennett.

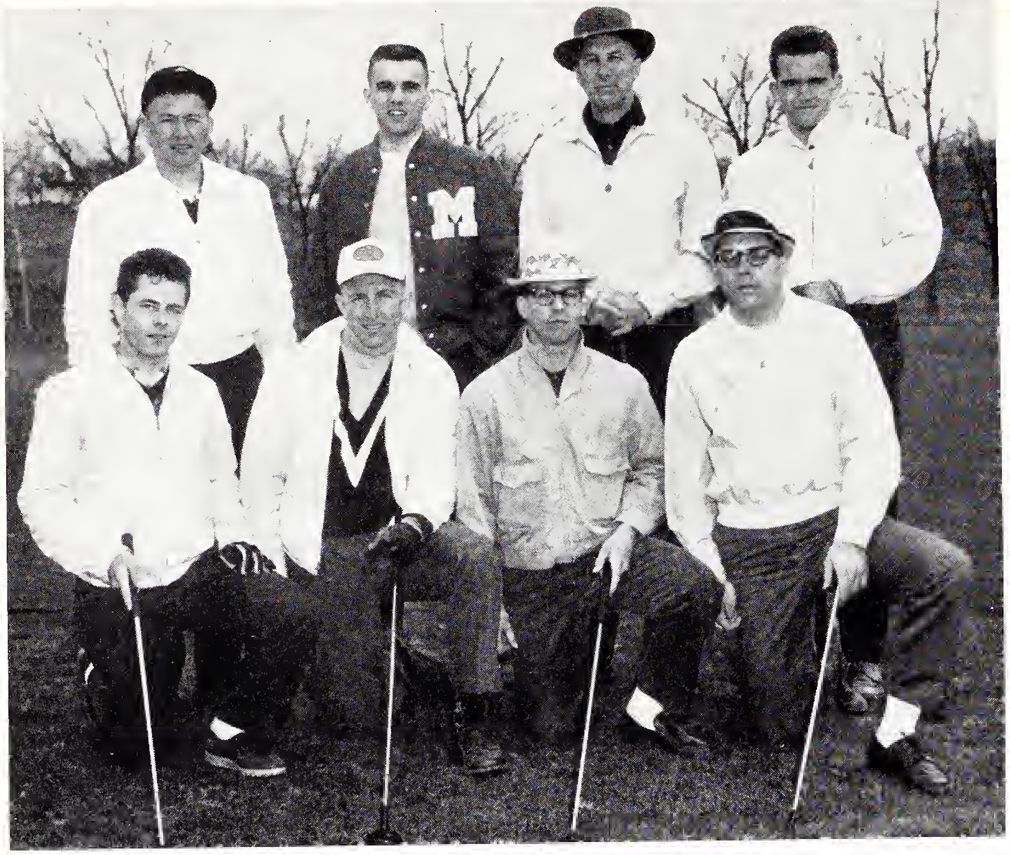
Row 2: D. Munn, K. Lewis, J. Hawbaker, J. Bader, E. DeWerff, B. Severino, D. Danforth, H. Clifford, J. Mitchell, T. Ashman, J. Staedke.

Track meet highlights the afternoon.



Row 1: J. Ludwa, D. Schawitsch, J. Hildebrand, J. Billington.

Row 2: S. Lee, J. Williams, E. Watkins, E. Kaufman.

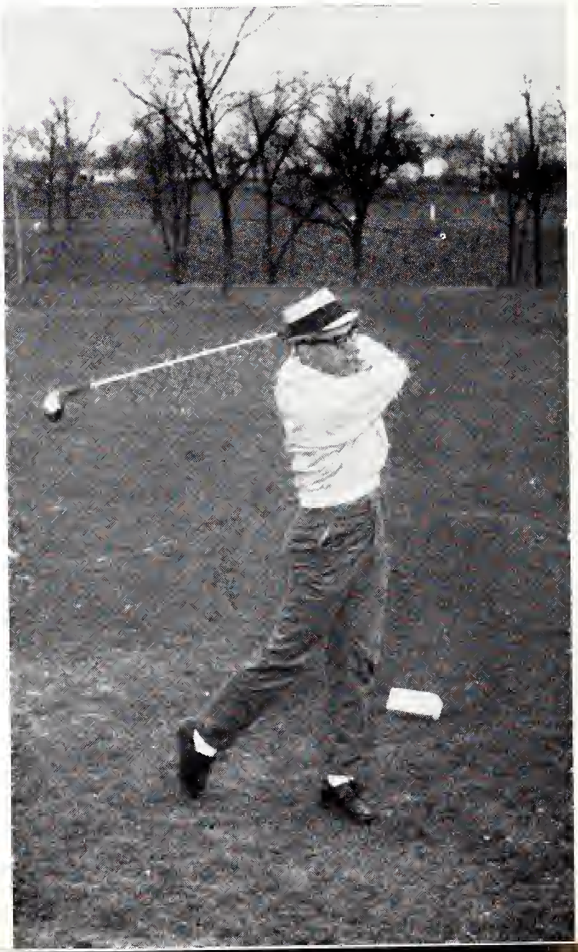
Golf

Millikin's golf team, without any returning lettermen, will be bolstered by a group of link rookies.

Trying to bring Millikin another College Conference of Illinois championship, will be seniors Jack Billington and Steve Mumma; junior Elmer Watkins; sophomore Dale Schawitsch; and freshman Jerry Hildebrand.

Coach Richard Paine's squad will play a nine match schedule.

What a follow-through!



Tennis

Coach Ralph Allan's tennis squad boasts only one letterman, Captain Steve Hengst. Rounding out the roster are sophomore Tom McCawley and freshmen George Clucas and Lynn McCrary. The Big Blue netters will be seeking a College Conference of Illinois title.

As you can see by the pictures below, basketball is one of the most popular intramural sports. Other sports played during the year are softball, volleyball, badminton, deck tennis, and bowling for the girls, and football, volleyball, bowling, and baseball for the men. Social organizations and independent Millikin students sponsor teams which compete for a traveling trophy.

That's throwing yourself into a game!

Height is an unfair advantage.

PEOPLE

President

President Paul L. McKay has just completed his fifth year as the head of Millikin University. During this past year, the twenty-year expansion plan for our campus was revealed, showing the great strides that Millikin has made under his capable leadership.

Mrs. McKay is also very active on the campus. She lent her able assistance this year at Homecoming time when she served as an advisor for the queen's committee.

The President and his wife hold a tea at their home each fall, to which all students and faculty are invited. This gives everyone an opportunity to become better acquainted with President and Mrs. McKay, and it is always a well-attended affair.

PRESIDENT McKAY

President and Mrs. McKay

Administrators

Without capable, willing leaders, a university cannot function smoothly. Millikin is fortunate to have leaders who are able to supervise and coordinate both curricular and extracurricular activities and still be available as friends and counselors to the student body.

Congratulations to
Millikin University Class of 1962.

Building the City in its varied aspects is the job of the Association of Commerce of Decatur, Illinois.

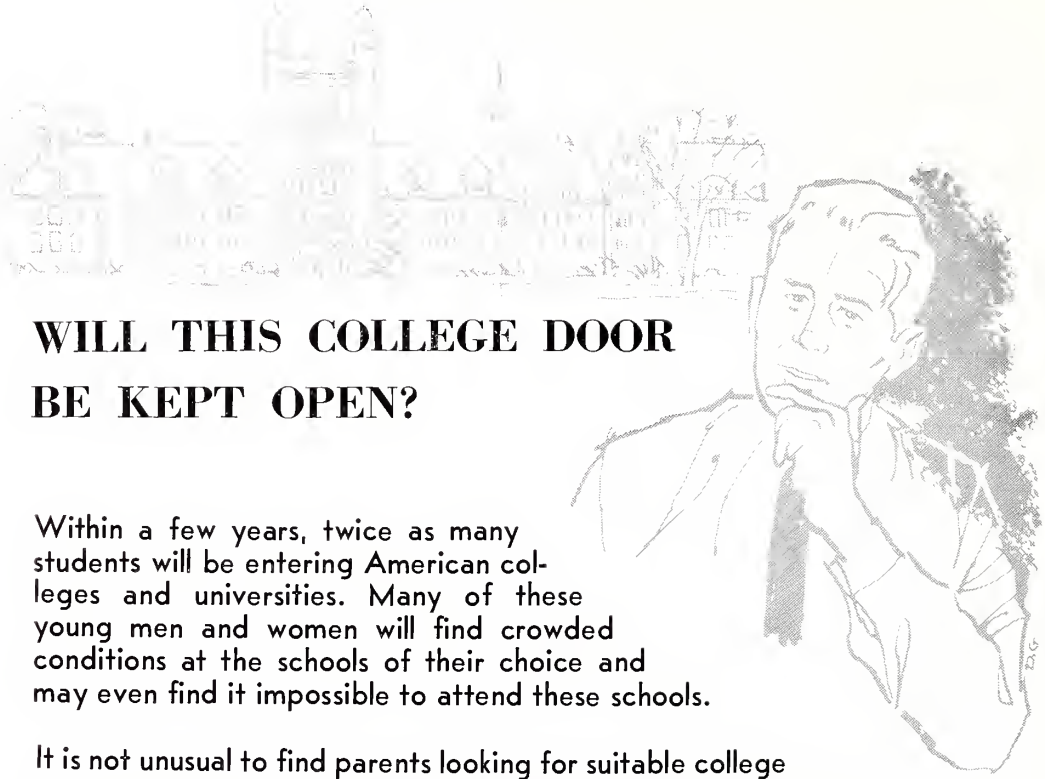
During your student days at Millikin, you will, perhaps, have noted how some phase of the Association's "City building program" unfolds. How a "program of work" on paper leads to constructive action resulting in expanded industry and commerce, new streets, new schools and churches, new homes for families. . . all those elements which make up a liveable city.

ADVERTISING

Men and women who share advantages of university education, such as you have had at Millikin, need to help share the larger responsibility to help build the communities in which you may live. Your experience and knowledge gained at Millikin University has prepared you to assume this task wherever in the world you may be. In so doing you will share in the broader friendships and experiences of those who are builders of cities and of men.

World developments demand intelligent solution to all those who must live as free men, in free cities, in a free world.

University men and women, you are challenged to the responsibility to provide such leadership in the spirit of your alma mater—Millikin University. Best wishes and good luck!



WILL THIS COLLEGE DOOR BE KEPT OPEN?

Within a few years, twice as many students will be entering American colleges and universities. Many of these young men and women will find crowded conditions at the schools of their choice and may even find it impossible to attend these schools.

It is not unusual to find parents looking for suitable college arrangements for sons and daughters who are just entering high school.

The Millikin Class of 1962 is joining the alumni ranks. Your basic education is behind you. Your future is bright with many opportunities.

During your four years at M.U., you have paid approximately sixty per cent of the actual cost of your education. Millikin has paid the rest.

Where did this "wonderful forty per cent" come from? It was available to you largely because Millikin alums have developed an outstanding record of financial support for their alma mater.

You, too, will be called upon to support Millikin. When that call comes, consider your good fortune in being educated in the college of your choice, and help make Millikin available to other young men and women in the future.

for your hands...

It's a big, wide, wonderful world and we give it to you with our blessings. Our fathers gave it to us a generation ago. They told us it would be what we chose to make of it.

They made it very plain that an education didn't entitle us to any more of this world than anyone else; merely that with an education we'd be better equipped to face it, meet its challenges.

Our fathers told us we'd stand a better chance with an education, and that we'd get more out of life. It was true then, and it's still true now. And then, as though sensing an unspoken thought, our fathers added another word of caution.

"Nor is an education a substitute for hard work," they smiled. "It's just a great help in that work."

We offer you the same words as those we received. We offer you the same world, slightly changed, but essentially intact. It's for your hands to improve.
